

Points to note when walking on Mt. Oyama Trekking Course

Points easy to mistake

- ① There is a place to turn left at a sharp angle on the way from Mt. Maruyama. You can find the sign at the place. Be careful not to go straight by missing the sign. You have to turn left and pass through the gate on the livestock fence.
- ② You have to turn to the left and enter into the way on the meadow. There is the sign. Don't miss the sign. Be careful as you may miss the sign blocked by the white pipe fence.
